

Primul Congres care a avut loc la 26 si 27 iunie 2016, a adunat mai mult de 150 de participanți venind din cel puțin 20 de țări din lume.

Congresul a fost considerat de mare succes de toate persoanele care au fost implicate, acest lucru se explică prin faptul că mai mult de 20 % din avocații străini veniți din America Latină, Uniunea Europeană și Asia, care și-au găsit deja parteneri și clienți printre Avocații ruși la primul Congres, și-au propus candidatura de a participa din nou.

Congresul Internațional de Networking pentru Avocați constă în :

- Un eveniment de Speed Networking pentru stabilirea rapidă a contactelor personale
- 5 limbi de lucru ((Engleza, Rusa, Italiana, Spaniola și Franceza)
- Participarea avocaților ruși, în special cointeresați în colaborarea cu țara dumneavoastră
- Publicarea profilului fiecărui participant într-un anuar unic, care va fi distribuit în Rusia, cu informația completă a serviciilor prestate de avocații străini.

Baroul din Moscova este partenerul oficial al acestui eveniment. Discursul Dl. G. REZNIKA, vice-președinte al PA din Moscova poate fi văzut într-un scurtmetraj, care a fost realizat ca răspuns la rezultatele de succes al primului Congres și este publicat pe site-ul CECJ <http://www.cecj.co.uk/russia/>.

Participarea la Congres include și un program variat de excursii în cele mai frumoase orașe din Rusia, un tren de mare viteză vă poate face legătura dintre St. Petersburg și Moscova și multe alte destinații.

Prin urmare, aș dori să vă rog să distribuiți această informație, ce se refera la acest eveniment, administrației și avocaților Asociației Baroului de avocați din România.

În speranța unei bune colaborări, vă asigurăm de toată considerația noastră și vă trimitem și un montaj foto al Congreselor anterioare a CECJ.
